We are proud of.....

Suvasben, an I Create Supporter, Wins National Award "Indian Leadership Award for Education Excellence" at New Delhi.

Suvasben Honest is the Principal of Webb Memorial Girls' School, Vadodara, where I Create CMS program was introduced many years back under the leadership of Suvasben. Majority of the parents of the students here are low income laborers, auto drivers, domestic help etc. In her tenure, she has succeeded in starting Higher Secondary (11th and 12th STD) and an English Medium School (Pre - school). Under her able guidance the students of her school have won many state level Prizes.

She is not only a great educationalist but also a philanthropist, and has donated over Rs 1 lac to the school for drinking water project and another significant amount to I Create Snehdeep for use as seed money for aspiring entrepreneurs at the grassroots level. It is indeed a very valuable contribution and is going long way in changing the lives of many to stand on their own feet and become job creators. She is an asset to I Create and is most deserving of the National Award.

The whole I Create family is proud of her and extends its congratulations to her. She is also a fully trained I Create MT and wishes to give her full time support to I Create after her retirement.
