

Joseph Pius

Joseph Pius has a Commerce degree from MS University of Baroda and studied Inter ICWA. He began his career at Christian Children's Fund (CCF) Virginia, USA and has been very passionate about working with the economically background communities in Vadodara. He was also the coordinator of VIVA India- a network of 43 countries for children.

He has been in this field for over 22 years and has collected a range of experience in venture capital, micro finance etc and has mentored many entrepreneurs in Navayard Slums bringing in an integrated approach for sustainable living.

Joseph is the recipient of **“Teacher of the Year 2009”** award and also the **1<sup>st</sup> prize winner** at the Essay **Competition** from **NFTE** in 2009.
