

Soumya Harish

Soumya Harish has a Masters degree in Electrical Engineering from Wright State University, Dayton, Ohio. Thereafter, she started pursuing her interests in social sphere with engagements with the Humane Society of Huron Valley, Syracuse Symphony Orchestra and The Samaritan Centre, Syracuse, New York. Parallely, she also pursued coursework related to Social Entrepreneurship, Anthropology, NGO management, governance and Global Civil society at Syracuse University. As a part of the executive committee of the Indian Institute of Technology Gandhinagar (IIT Gandhinagar) children's day care centre, Soumya has helped conceptualize, plan, set-up and manage the centre since 2013. She has been serving as the coordinator of NEEV, IIT Gandhinagar's Grassroots Entrepreneurship Program, since 2014.
