- Hindupur beckoned the I Create Academy. The first TOT at Andhra Pradesh was held on April 21st -24th at the Saphagiri Engineering College by an NGO Chaitanya –REDS(Rural Education & Development Society) The first day had 50 students! And many of them had to be turned away while some stayed as observes till lunch. Final figures were 39. It was a challenge as Telugu was the language that the group was comfortable with . Initially we used translators. Despite their inability to speak in English, they attempted it rather valiantly! Master Trainers – Ulhas Kamat, Gajanan Shastry, Anantha Kumar and of course Dinakar. It was in many ways a launching pad for Dinakar and he matched up. The concluding day had the local MLA speaking on the occasion and the I Create Team being honoured. The program has been featured in the local edition of Eenadu News Paper. The participants gave us a figure of training 1500 people on entrepreneurship.
